

LAMINATED SHINGLES • Double-layer shingle with “Cambridge Xpress Lane”

>>> Cambridge Xpress® (49) Earthtone Cedar

LAMINATED SHINGLES • Double-layer shingle with “Cambridge Xpress Lane”

Your Benefits:

- Most efficient laminated shingle in the world: larger shingle size (more coverage than any standard shingle) and very quick to install
- Extra large nailing area, known as the “**Cambridge Xpress Lane**”, for improved nailing shingle performance (especially on steep roofs) and faster implementation of the shingles
- Double-layer shingle with a dimensional wood shake look in natural tones and colours
- Best choice for the home-owner with its water-shedding and weather-resistant construction
- Excellent solution for renovation projects
